

COUNCIL PRIORITY SURVEY

October 2018

Abstract

From October 1, 2018 to October 12, 2018, council surveyed the public on what they would like to see happen in 2019. Surveys were collected electronically and at the Town Office

Survey Questions

What is your top priority for Raymond in 2019?
Let us know three additional priorities.

Time Period and Circulation

The survey was open from Oct. 1-12, 2018 and was mailed (utility bills) and advertised on the Town website and Facebook. Hard copy and electronic submissions were accepted.

Response

1350 surveys were issued and we received approximately 180 completed surveys.

Suggestions for Future Council Priority Surveys

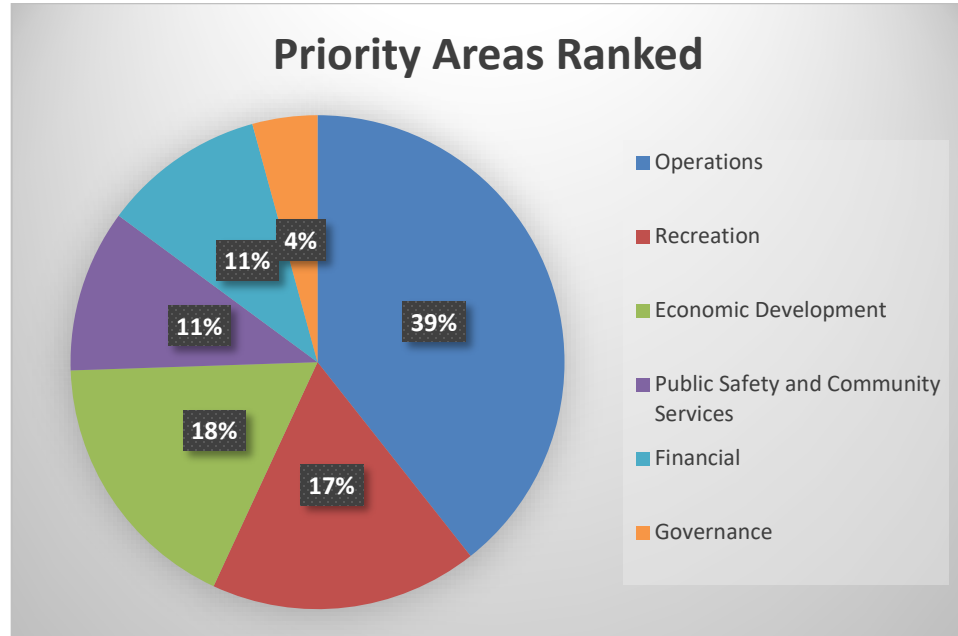

Host an open house prior to survey. Open house can feature information booths from Economic and Community Development, Recreation, Legislative Services, Peace Officers and Operations, where we discuss activity in each area and plans for the coming year. Administration can create another mail-out survey based on information presented and the public can rank or prioritize. This process will increase engagement and generate a better response rate.
