For the latest updates on COVID-19, please refer to www.alberta.ca/covid

The Federal and Provincial Governments have recently announced a series of financial support measures intended to help those who have been financially affected by COVID-19 get by until people are able to get back on their feet. If you are in need of support, please start the process of applying early. Town Council will be reviewing some options at 6pm on Tuesday night's Committee meeting to assist locally as well. If you do plan on attending, please download and complete the self-assessment form and bring it with you to the meeting. Only those who have completed the self-assessment form and are in good health will be permitted to attend the meeting.

Please, still remember to #SkiptheTrip and continue to support our incredible local businesses. Many are now offering home delivery if you cannot or choose not to go to them. Some will come to you! It just goes to show that they are an incredible part of our community. During this time of uncertainty, please remember to practice proper handwashing and social distancing practices and use good judgment.

We are all in this together and together we will get through this!
