

TOWN OF RAYMOND

Adopted by:

Motion Number:

Authority to Administer: Chief Financial Officer

Policy Number: GP- 2017-02

Policy Name

Council Contributions

Policy Purpose

To ensure that tax dollars are used to support municipal purposes that in the opinion of Council are desirable for all or a part of the community.

Policy Statement

The Town of Raymond will not provide funding contributions to organizations, individuals, or societies from tax funds collected from the community.

Policy Procedure

Council deemed that financial donations to private causes, individuals, societies, or other organizations is an inappropriate use of tax dollars. Many requests are received from various sources for worthy causes. However, the use of Town money is not allowed to support any type of non-government use. Other public and private sponsorship may be sought or the Council members and staff may contribute personally from their own resources.
