

TOWN OF RAYMOND

Adopted By: Council

Motion: 2017-182

Authority to Administer: Department of Operational Services

Policy Number: OP - 2017-15

Policy Name

Snow Removal

Policy Purpose

To facilitate favorable travelling conditions for vehicular traffic utilizing efficient methods of snow removal and grading.

Policy Statement

The Council of the Town of Raymond recognizes the importance of providing a consistent level of service for snow removal on local roads and sidewalks.

Policy Procedure

Grader Operators and Contractors shall perform snow removal in accordance with the following requirements:

1. All roads must be opened within seventy-two hours of the completion of the last snowfall exceeding 10 cm. Notwithstanding the foregoing, all emergency routes will be the first priority of snow plow operator.
2. All ridges will be winged back as far as is possible while maintaining equipment and operator safety.
3. Plowing shall be carried out at a depth sufficient to remove the surface snow and prevent rutting, but not to disturb the road gravel surface.
4. Intersections shall be plowed in such a manner as to prevent snow piles from reducing vision of oncoming traffic and creating a traffic hazard.
5. Sand shall be applied to remove ice from hills, roads and intersections that are deemed icy
