

National Day for Truth and Reconciliation

The Town of Raymond will be honoring the Federal National Day for Truth and Reconciliation today. While Raymond is just beginning its journey on Truth and Reconciliation, we are encouraging the following activities today for your consideration:

- 1. Read the TRC Report ([CLICK HERE](#))
- 2. Attend a virtual or local event ([CLICK HERE](#))
- 3. Listen to or read stories of IRS survivors
- 4. Give to a charity supporting survivors & their communities
- 5. Reflect on any new insights or information you have discovered

Council will be forming an ADHOC Truth and Reconciliation Committee which will be working through the recommendations in the coming months. If you have any comments or suggestions for topics or subject matter, please email robinson@raymond.ca.

Town Hall and our Community Centre will be illuminated in orange to highlight the importance of #TruthandReconciliation as well as #EveryChildMatters. If you have the capability to light up your home in orange lights, we encourage you to do so today!
